Work Experience

Workshop Operative

REVIVE VENDING, DOWNTON, ENGLAND. OCT 2017 – AUG 2018

During this Job I created wooden structures and cladding that housed vending machines, creating unique, stylised vending machine cafés. In this job I learned to work as part as a team, working to high specifications whilst understanding the importance of hitting tight deadlines

Warehouse Operative

NECTOR IMPORTS, COLD BERWICK HILL, ENGLAND. APR 2017 – APR 2017

In this temporary role I mainly packed and unpacked items to be stocked on shelves in stock rooms, warehouses or storage yards.

Kitchen and Bathroom Advisor

WICKES, WINCHESTER, ENGLAND. SEP 2019 – PRESENT

I am currently working as a Kitchen and Bathroom Advisor at Wickes. In this role I interact with the customers and assist them with making important decision on there new kitchen or bathroom
